Epiphany
2019

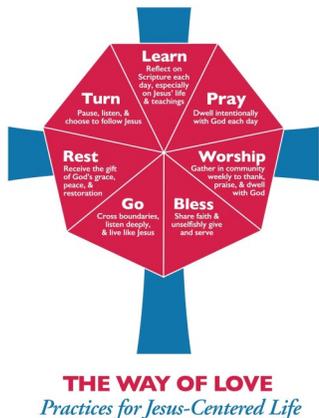

Dear Beloved of God,

Grace, peace and love to you in this new year as we enter the month when Love is most celebrated—February. At St. George's, we think LOVE is worth celebrating all year round which is why we will be Walking in the Way of Love as we seek to center our lives on Christ. We are seeing transformation in those who are engaging in the practices of the Way of Love. It is truly exciting. One of the exciting things we are doing currently as the Hope Church is birthing leaders and ministries that matter and bring Hope in the face of very hopeless situations. Whether it is sorting food on Fridays at the Food Bank from 1- 4 p.m., taking Hope Signs, listening and praying for people at Pointe Ann apartments where three children were killed, hosting the Second Chances Youth Ministry at our cooking class, or welcoming and treating the homeless with dignity and respect, we are all about sharing the Blessings and Love we have been so freely given. As we interact with these ministries and our neighbors, we are finding ourselves stretched, enriched, blessed and yes—even transformed (see more stories of transformation on YouTube - St Georges Texas City).

We continue to come together in community to worship on Sundays at 8 & 10:30 and now Tuesday mornings at 9:45 for Bible Study & Eucharist and Wednesday evenings at 5:45 p.m. in February. Worship and Prayer are central to our being with one another as followers of Jesus. Of late, we are finding folks wanting to gather around special interests to be in fellowship. One such gathering formed by Kent & Beverly Ross is a new photography class which begins with Evening Prayer, then a meal and sharing of photography skills. It is truly beautiful. Each person is given a chance to share what they most want to develop in their photography and what subject matter they are interested in. Another group recently formed is the Zumba Gold Class on Tuesdays and Thursdays at 2:45 p.m. by new member, Hart Parris. (*Help us determine the time best for you!*) These exercise classes are designed for a time to gather, have fun and build strength and connection—all levels are welcomed.

These two classes came out of a discussion at our recent Friday evening—"Enliven Your Faith" gathering. At it, we discussed the importance of discovering your spiritual gifts to find your purpose and joy in the Body of Christ. As people are discovering their gifts, a renewed excitement is filling the air. If you wish to discover your gifts or have an interest in starting a group based on common interest, contact Pastor Robin at reevestrinity@gmail.com or Hart Parris at hartparris@gmail.com or go to www.stgeorgestc.org and check under resources.

At St. George's, we are committed to helping people find **renewed faith, hope and love** in the midst of a Christ-centered Community of Faith. We welcome you among us at this most exciting time. For those whom have been away, we say—come home. There is more to life than just sitting at home. For those whom have yet to come—we invite you come join us in a relaxed environment with good food and conversation. Most of all, come as you are! The best gift you can give the world—is to be who you are! Our community is not perfect by any stretch, but we do aim to love and welcome you as you are.

"For centuries, monastic communities have shaped their lives around rhythms and disciplines for following Jesus together. *The Way of Love: Practices for Jesus-Centered Life* outlines a Rule or Way of Living for the Episcopal branch of the Jesus Movement." – Presiding Bishop Michael Curry

Join us for the Lenten Series: Practical tools for Walking in the Way of Love beginning Wednesdays in March (*starting March 13th*) at 5:30 p.m. or follow Living Compass' Lenten Devotional on Forgiveness online. See the flyer later in the newsletter. Lenten Devotionals may be picked up in advance at the church at the end. This year, we invite you to dare to commit to join us and engage in fellowship with others in the Body of Christ. It is the only way to learn what it is to truly love and be love to another.

In Faith, Hope and Love,

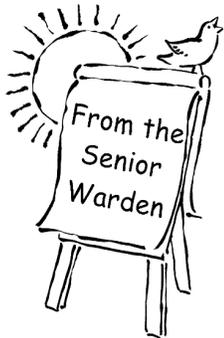

Pastor Robin+

A Note from Haynes Dunn

First of all a big “THANK YOU” to all the members who have graciously donated funds specifically for air conditioning repair and replacement. The original goal was to replace one 5 ton unit in Quinn Hall. It appears we may be able to accomplish more than that. We have been in contact with 4 companies and are having problems with getting follow-up from any of them, so nothing has been accomplished yet. While waiting, an air conditioning specialist has approached us with the offer to provide free labor and technical help. He wants an opportunity to try and repair rather than replace the Quinn Hall 5 ton unit as well as other failed units. The downside is that he hasn't given us a timeline of when he can begin. The Reeds have generously offered to donate a slightly used compatible unit currently installed at their house but not used. It would be used to replace either the classroom or chapel unit as it is a horizontal unit and those are the only two horizontal units we have. We just have to uninstall and move it. As of January, we also have some maintenance issues with the closed circuit water loop which functions as the cooling medium for the individual units. We have some failed parts in the pump house which has resulted in a water leak and possibly another leak outside of Quinn Hall. I think both of these can be fixed in-house and I have reached out to the Pattersons for assistance. The goal for getting the Quinn Hall unit either repaired or replaced is before the spring dinner in May. The work continues.

A Note from Beverly Ross

from her Annual Meeting Address

I would ask you to join me in recognizing and acknowledging how truly blessed we are to have such a caring, compassionate, innovative, and encouraging Pastor. She is our ambassador out in the community, helping to gain recognition and respect for St. George's while quietly going about spreading Hope and encouragement to everyone she meets. Most of us are unaware of her boundless optimism and energy. Thank you, Robin for being our shepherd. She has made my job as Senior Warden so much easier than I anticipated it to be. So . . . 2018 was a year of personal growth and transformation through my relationships with God and others.

I really had to put my faith in God last year and say "yes" to this position. I never dared to believe that I was equipped to handle the job with all its responsibilities of supporting the Rector and helping oversee the resources, programs, and facilities of St. George's. If you know me well, then you know that making decisions is NOT my strong point, but it's getting easier with practice. She has asked me to be Senior Warden again, so I look forward to our bright future. I know deep down that if I accepted this position that I would grow and be transformed.

To which ministry might God be calling you? Ask yourself, if you don't know. I see so many of you who also have been transformed because you said "yes" to be responsible for some aspect of ministry. Don't you too want that transformation? Go ahead "TAKE A LEAP OF FAITH"—knowing that you won't be alone, you'll have help and believing you are perfect for the job. I encourage you to be part of the solution, not the problem.

One way to discover where you were meant to serve in the body of Christ is to discover what your individual spiritual gifts might be. For use of your spiritual gifts is life changing. If you are interested, we have the resources to help uncover your passion. I urge you to remember—"It's all Good" and continue to "Dream big and don't quit."

Beverly Ross
Senior Warden

Jesus Centered Lives = Transformed Lives & Community

TURN: Pause, listen, and choose to follow Jesus.

As Jesus was walking along, he saw Levi son of Alphaeus sitting at the tax booth, and he said to him "Follow me." And he got up and followed him. - Mark 2:14

Repent and Fast: Jean McKnight was surprised to find relationships restored after fasting 1-3 days with other leaders for breakthrough as they prayed.

Like the disciples, we are called by Jesus to follow the Way of Love. With God's help, we can turn from the powers of sin, hatred, fear, injustice, and oppression toward the way of truth, love, hope, justice, and freedom. In turning, we reorient our lives to Jesus Christ, falling in love again, again, and again.

LEARN: Reflect on Scripture each day, especially on Jesus' life and teachings.

"Those who love me will keep my word, and my Father will love them, and we will come to them and make our home with them." - John 14:23

Reading the Bible: Jim Deslatte, "I had never read the bible all the way through till this year. The Story reads like a novel. I learned a lot and have shared it with my grandson."

By reading and reflecting on Scripture, especially the life and teachings of Jesus, we draw near to God and God's Word dwells in us. When we open our minds and hearts to Scripture, we learn to see God's story and God's activity in everyday life.

PRAY: Dwell intentionally with God each day.

He was praying in a certain place, and after he had finished, one of his disciples said to him, "Lord, teach us to pray, as John taught his disciples." - Luke 11:1

Praying the Scriptures: "Doing Lectio on Tuesday, we read the next Sunday's scripture 3 times, which has helped me enjoy and understand the meaning of the scriptures more deeply."

Jesus teaches us to come before God with humble hearts, boldly offering our thanksgivings and concerns to God or simply listening for God's voice in our lives and in the world. Whether in thought, word or deed, individually or corporately, when we pray we invite and dwell in God's loving presence.

WORSHIP: Gather in community weekly to thank, praise, and dwell with God.

When he was at the table with them, he took bread, blessed and broke it, and gave it to them. Then their eyes were opened, and they recognized him.—Luke 24:30-31a

Lenny Cianciotto – "I've had times I didn't go to church, but when I come to worship my week is better."

When we worship, we gather with others before God. We hear the Good News of Jesus Christ, give thanks, confess, and offer the brokenness of the world to God. As we break bread, our eyes are opened to the presence of Christ. By the power of the Holy Spirit, we are made one body, the body of Christ sent forth to live the Way of Love.

BLESS: Share faith and unselfishly give and serve.

Freely you have received; freely give. - Matthew 10:8

"Painting Signs of Hope has created another way to connect creatively with my family and has brought me joy." - Raquel Balderas

*"Your Ministry of Hope is reaching farther than you realize. It's transformed my ministry ... " - Jervie Windom
Kemah Garden club girls experience God's love as they serve our families at the Kids Cooking Class. Adults mentor them.*

Jesus called his disciples to give, forgive, teach, and heal in his name. We are empowered by the spirit to bless everyone we meet, practicing generosity and compassion, and proclaiming the Good News of God in Christ with hopeful words and selfless actions. We can share our stories of blessing and invite others to the Way of Love.

GO: Cross Boundaries, listen deeply and live like Jesus.

Jesus said to them again, "Peace be with you. As the Father has sent me, so I send you." - John 20:21

Taking Hope to Holy Trinity's Strawberry Festival, local Art Walks, and for Harvey Long-Term Recovery Assessment Teams; Declaring Hope & Full Restoration over Dickinson & Santa Fe posting Hope signs at Neighboring Schools.

As Jesus went to the highways and byways, he sends us beyond our circles and comfort, to witness to the love, justice, and truth of God with our lips and with our lives. We go to listen with humility and to join God in healing a hurting world. We go to become Beloved Community, a people reconciled in love with God and one another.

REST: Receive the gift of God's grace, peace, and restoration.

Peace I leave with you; my peace I give you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid. - John 14:27

Hope Festival: One grandmother of a 10 year old Harvey Survivor reported that the Hope Festival's fun and free ice cream and hot dogs has helped her and her granddaughter to experience Hope after the storm.

From the beginning of creation, God has established the sacred pattern of going and returning, labor and rest, Especially today, God invites us to dedicate time for restoration and wholeness—within our bodies, minds, and souls, and within our communities and institutions. By resting, we place our trust in God, the primary actor who brings all things to their fullness.

Rebranding St. George's - The Hope Church

We've discovered people think of us as the Hope Church! All this after putting Signs of Hope in the community and across the world for the last 4 years and hosting over 100 youth doing Hurricane Harvey repairs known as Signs of Hope. We are known as the Hope Church, so we are adding it to printed material.

We want to steward the abundance of meeting space and a caterer we have in our building. Help us get the word out!

We have space rental available for anniversaries, weddings,

receptions, showers, special events, class and family reunions, home school meetings, and meeting space.

Making a Holy Lent . . .

Early Christians observed “a season of penitence and fasting” in preparation of Easter and in imitation of Christ’s fasting in the wilderness. In recent years, Lent has reacquired its significance as the final preparation of adult candidates for baptism. Joining with them, all Christians are invited “to the observance of a Holy Lent, by self-examination and repentance; by prayer, fasting, and self-denial; and by reading and meditating on God’s Holy Word” (BCP, p. 265).

Join us on **Wednesdays at 5:30PM** for Evening Prayer, dinner (*your favorite soup*), and a Lenten Study starting March 13th.

Join the Movement

to take on a Hope Practice during Lent in place of a less positive habit.

- ◆ Share a word of encouragement or Hope with someone in need when you are tempted to complain.
- ◆ Choose to move more—consider joining our Zumba Gold Class even if you must sit down to do it.
- ◆ See our list of things to add & in your life during lent (*on the next page*).

Pick ONE thing to Fast from for Lent . . .

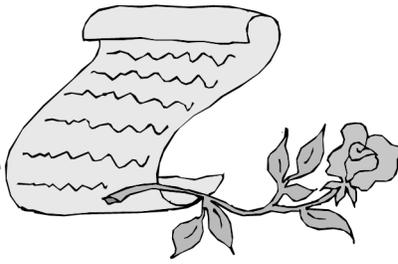

Join Pastor Robin in a Fast for Lent beginning Ash Wednesday, March 6th. Below is a list of things you might give up for Lent. If you want to learn about Fasting from Food to grow deeper in your connection to God, ask Pastor Robin at 832-922-7022.

- **Guilt** – I am loved by Jesus and he has forgiven my sins. Today is a new day and the past is behind.
- **Fear** – God is on my side. In him I am more than a conqueror.
(see Romans 8)
- **Envy** – I am blessed. My value is not found in my possessions, but in my relationship with my Heavenly Father.
- **Impatience** – God’s timing is the perfect timing.
- **Bitterness and Resentment** – The only person I am hurting by holding on to these is myself.
- **Blame** – I am not going to pass the buck. I will take responsibility for my actions.
- **Gossip and Negativity** – I will put the best construction on everything when it comes to other people. I will also minimize my contact with people who are negative and toxic bringing other people down.
- **Fear of failure** – You don’t succeed without experiencing failure. Just make sure you fail forward.
- **A spirit of poverty** – Believe with God that there is always more than enough and never a lack
- **Retirement** – As long as you are still breathing, you are here for a reason. You have a purpose to influence others for Christ. That does not come to an end until the day we die.
- **Excuses** – A wise man once said, if you need an excuse, any excuse will do.
- **Pride** – Blessed are the humble.
- **Worry** – God is in control and worrying will not help.

God has so much more in store for you.

But so many of these things above are holding you back from walking in the full destiny he has laid out for you. Today is a new day.
