

Facebook Live – Helpful Information

- You can rewatch/watch the Facebook Live video on our Facebook page still.
- Below are a few things you need to know in order to watch Facebook live before it starts and after it finishes.
- Some images may vary depending on what device you are viewing Facebook with (a computer or a cell phone).

I. Facebook Live - Before watching our Facebook Live

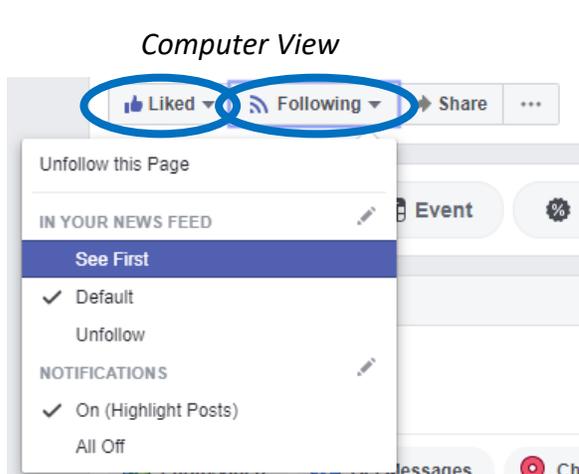

1. Know our Facebook Page Name: St Georges Texas City.

2. Make sure you have the right page.

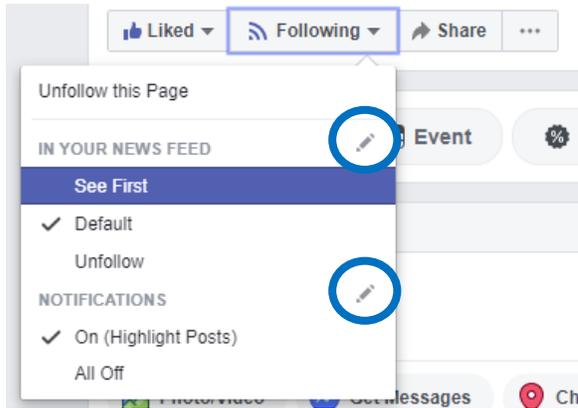

3. Like our page and make sure you follow us so you can get a notification when we have a Facebook Live.

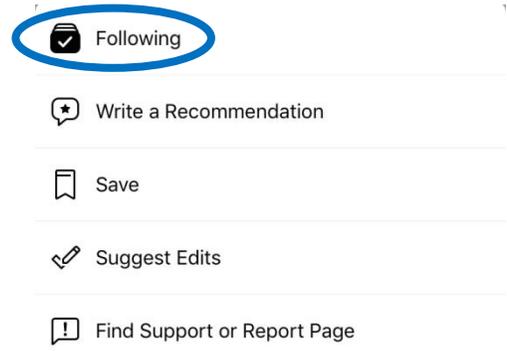

- When you follow our page, you can make sure that you see St. George's first on your news feed and that you will get notifications from us. Please check your settings!

Computer View

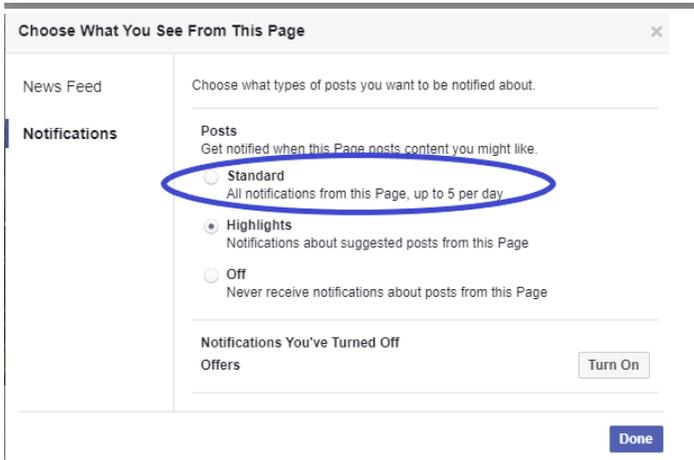

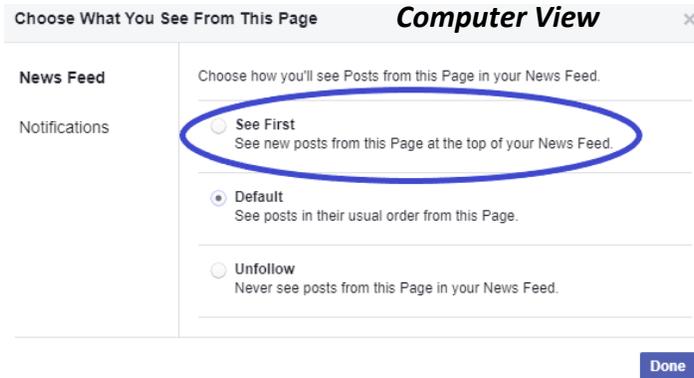

Cell Phone View

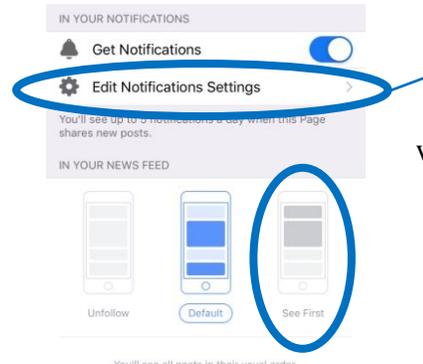

- Suggested Settings under the Following tab would be:
 - In Your News Feed - **See First**
 - Notifications – **Standard**

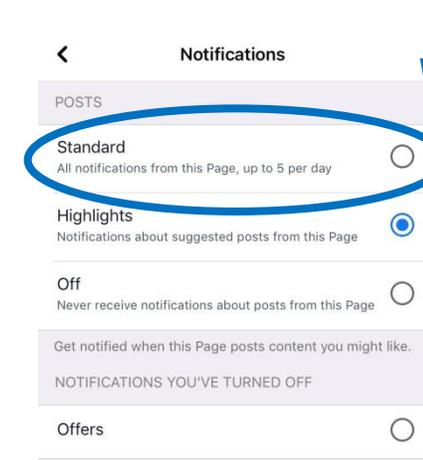

Computer View

Cell Phone View

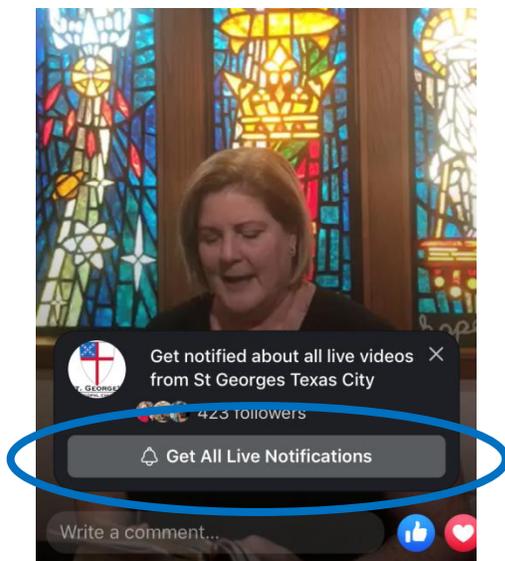

Edit Notifications will open up to this screen

II. Facebook Live - Getting ready to watch our Facebook Live

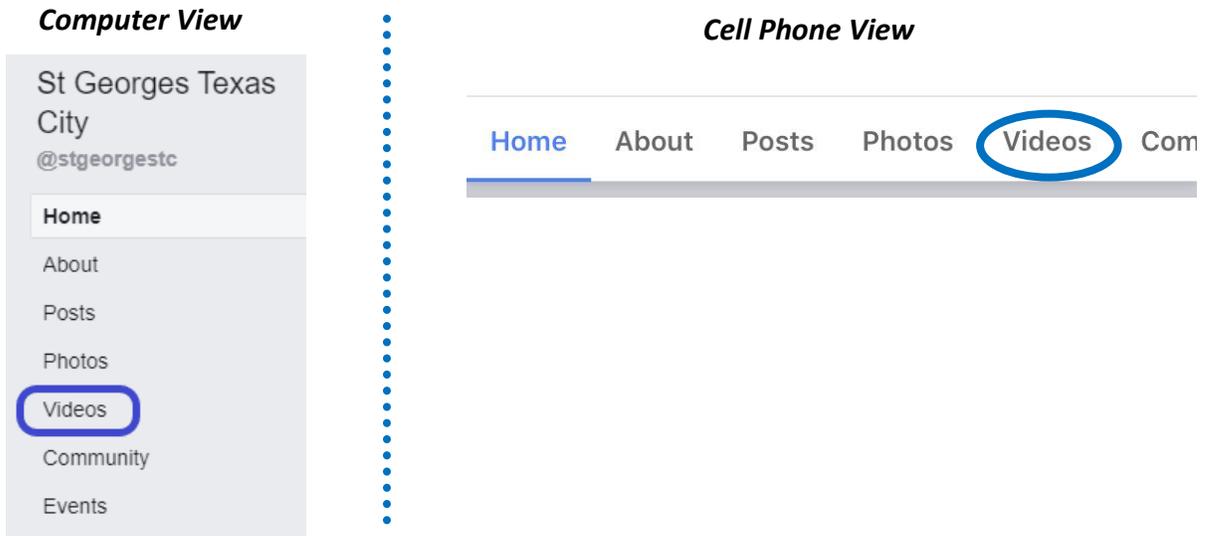

1. Since you know in advance about Sunday's Facebook Live, you can go to our page and get ready to watch it at 9:30 a.m. If it doesn't pop up right away, you can always refresh it and it should pop up! *Note: You might have to scroll down a little to find the video playing - past About, Photos, Videos, and Upcoming Videos.*
2. You can also go back to an old Facebook Live Video to make sure you won't miss out on getting notifications for all our live videos. *(See next part on how to find Facebook Live Videos)*

3. Remember: If you are watching with us Live, you can write a comment to us especially during the prayers!

III. Facebook Live - Watching Video after Facebook Live is Finished

1. If you missed a Facebook Live or would like to rewatch it, the fastest way you can find it is to click videos.

2. All Videos will be displayed, so all you have to do now is choose which one to watch!

All Videos
