

St. George's Episcopal Church has partnered with GriefShare, a network of thousands of grief recovery groups throughout the world. Grief-Share is a group process designed to help you travel through the journey from mourning to joy.

In each GriefShare session our facilitator will guide the group through a video presentation and discussion.

The GriefShare videos feature interviews with leading authors, counselors, speakers, and pastors with years of expertise in grief recovery. You are welcome to begin attending GriefShare group at any session. Each session is "self-contained," so you do not have to attend in sequence. You will find encouragement and help whenever you begin.
