

## **WELCOME TO COMPASSION CAMP: BE LOVED, BE KIND, BE YOU.**

Thank you, families and grandparents, for joining St. George's Compassion Camp: A Virtual Bible School. Over the next five weeks, we will explore God's call for compassion to others, ourselves, and our world.

Each week, we will gather practicing social distancing for VBS on Mondays at St. George's. We will join Grace-Alvin Virtually., which you can do at your home as well—It is up to you.

Everything we will offer is optional. Videos will remain available for you to use at your leisure. We invite you to participate whatever way works for your family.

### **Sundays - Online Worship**

During online worship on Facebook: St Georges Texas City at 9:30 AM, we will kick off the theme for the week with the one of the readings matching the VBS lesson!

### **Mondays - Zoom PLUS Videos**

We will have a Zoom call at 10:30 AM with Grace Episcopal; You can also live stream it on Facebook through the Group (30-45 minutes). We will share a song, Bible Story, and reflection. Youth also will build onto a "garland" each week that goes with the theme. After the Zoom call, youth will be invited to watch pre-recorded videos leading you in the other segments.

This recorded Zoom call will be posted onto the Private Facebook Page for those unable to attend.

### **Tuesdays - Thursdays**

Throughout the week, via the Private Facebook Group, we might share supplemental videos, book lists, and other things to help you and your youth get into the spirit of Compassion Camp!

### **Fridays**

Fridays will feature a Wrap Up Session at 2:30 PM. Youth will have the opportunity share pictures from the week (15-20 minutes).

Keep in touch! Let me know if you have questions during VBS, and, please, let us know what is working well, too. This is a whole new way to VBS, and we want to adjust as needed through the 5 weeks. We pray this experience provides your family opportunities for growth, for worship, and for fun!
